

# Test 2

---

## Day 1 (21 Oct)

---

- Circular Motion
- Microbes in human Welfare

**Practice Questions**

## Day 2 (22)

---

- Rotational Motion (1 to 10)
- Bio Tech

**Practice Questions**

## Day 3 (23)

---

- Rotational Motion (11 to 17)

**Practice Questions**

***One Test Module Only Chemistry portion***

## Day 4 (24)

---

- Chemical Kinetics

**Practice Questions** \*\*\*One Test Module strictly with time \*\*\*

## Day 5 (25)

---

- Solution (1 to 6) **Practice Questions**

## Day 6 (26)

---

- Solution (6 to 10) **Practice Questions**

***One Test Module Only Chemistry portion***

## Day 7 (27)

---

- Molecular basis of inheritance
- Bio Tech and Application **Practice Questions**

**Solve at least 2 test paper keeping time in mind**

## Day 8 (28)

---

- principle of inheritance

***Revise your weak portions***

**Solve at least 3 test paper keeping time in mind** if you can try 5.

## Day 9 (29)

---

- Early in morning revise all notes
- Solve a test module
